

# Harness Health Specialty Pharmacy

## Specialty Pharmacy Drug List

# Specialty Medications List

For participants in the Medical Plan, specialty medications are prescribed to treat complex diseases. Many are available through Harness Health Pharmacy. Participants are limited to 30-day supplies of these specialty drugs. Some medications may require prior authorization. Generics may be available for some medications, and a brand-name version may not be covered under certain plans. This list does not denote coverage or formulary status, merely access.

- On the following pages, use Control and F to search the Disease State (such as Asthma or Rheumatology) or the generic name or brand name for any drug.
- See the last page for Limited Distribution Drugs available from other pharmacies.

**If you have questions, call Harness Health Pharmacy at 866-775-5767 (press option 6 for the Specialty staff) weekdays 8 a.m. - 4:30 p.m. (ET).**

Effective 01/01/2021

**Specialty Medications List - Limited Distribution Drugs  
available through MedImpact Specialty Pharmacy Network**
